 - Reminder Online Entry for Fair is open until COB on Monday, June 30th, 2025.
 - As a Best Practice:
 - Please have parents/kids take a picture/screenshot of their Fair Entry Form before submitting. With a new system, it's good to have a back-up as County doesn't yet have access to entries. Please also have parents start working on it now instead of waiting till the last minute so system/process doesn't get inundated.
 - Please remind parents that 4-H shows and Fair are ran by volunteers. Patience is highly recommended as the entirety of Fair is on a new system, so there is a huge learning curve for everyone.
 - Parents also need to volunteer. Sign Up sheets for Fair will be available at the June meeting on Wednesday, June 11th.
 - Next show is June 21st for Performance, and 22nd for Gamers.

 - Container Update: Brian from County tried to move it but couldn't as it's stuck. Brian has ordered wheels to move it. Once it is moved from its current location, arrangements will be made to have the replacement delivered.
- New Business:
 - Rulebook clarification conversation:
 - Discussion centered around no mention of High Blue in State or County Rulebook and setting a standard for what constitutes a blue and High Blue. For example, the last judge set it at 92.
 - After discussion Kaileigh made a motion: A blue ribbon means a return to the championship round if the judge determines IF it is needed. A

Championship Round is rosette only. No more High Blues and it will be taken off all paperwork.

- Anne 2nd the motion. Motion then passed with attendee vote.
- Horse Bowl and Hippology:
 - Have set times for each level/division (SR/INT/JRs) to bring better clarity of expectations and better planning opportunities for the kids.
